**Dear James:**

As your summer assignment with FBIS comes to a close, I want to thank you for your efforts in the Analysis Group this summer. Your assistance during the summer months has been extremely valuable to AG, but it has been especially valuable to the USSR Domestic Affairs Branch, which, because of short staffing, has been helped in maintaining its files. We appreciate your courteous and cooperative attitude and hope that you will consider working in AG again next summer.

I join your colleagues in the Analysis Group in wishing you well as you resume your studies for another academic year.

**Sincerely,**
